

Introduction to Algorithms

SECTION A

1. List any two sorting algorithm you know and discuss exhaustively.
2. Write an algorithm for the sorting algorithms you listed in (1.) above.
3. Write an implementation for the binary search algorithm.

SECTION B

Check out the following links and write algorithms for the problems there

1. https://app.codility.com/programmers/lessons/1-iterations/binary_gap/
2. https://app.codility.com/programmers/lessons/2-arrays/cyclic_rotation/
3. https://app.codility.com/programmers/lessons/2-arrays/odd_occurrences_in_array/
